Want to experience college life & earn college credits?

Check out this program!

UMASS Equine Management Summer College Experience

When: July 9 - 22, 2017

Who: Rising High School Juniors and Seniors

You'll gain first-hand experience in managing an equine operation at the University of Massachusetts Hadley Farm Equine Center. From horse behavior and veterinary care to equipment and stable management, you'll experience it all while working with our herd of Bay State Morgans & Hanoverians UM. You'll gain an understanding of the education and training you'll need in order to get your dream job in the equine industry.
